SPECIALTY JUDGE

DOROTHY ARN

Arntara Kennels, USA

We purchased our first hound as a pet, as most first timers do. I soon realized that his conformation was not suitable for showing and we got a couple of others which we showed and finished in short order.

Our first litter of wolfhounds arrived in 1974 and I believe we've had about 20 champions along the way. Our hounds have been owner handled to their championships. We have had some really good ones that never made it into the show ring. Not born with a lot of competitive fervor, I found having them at home where I could look at them, touch them and experience their ancient demeanor was enough. What a wonderful experience along life's journey. I have been judging for a long time now. I have had the honor of judging national and regional Wolfhound specialties and judging in America, England and Canada at championship level.

It was my great pleasure to have served as President of the Irish Wolfhound Club of America and to also serve in various other IWCA capacities for 20 years or so off and on. I very much appreciated the opportunity to work as their Education Chairman.

Working with a small, but excellent committee of knowledgeable people, we were able to introduce many innovations of which I am proud. I also edited and produced the IWCA. Championship Pictorial. I have served as President of the local all breed club (Lake Cumberland Kennel Club) for many years and remain on the board now. It is a very busy club and we always have some activity in the works, from water rescue to flyball, from dock dog diving to herding demonstrations. What great fun we have with the dogs!

It is always an honor to be asked to pass judgment on the fine collection of Irish Wolfhounds that appear at specialties and to have an opportunity to touch and go over them. It is humbling to think that people at great expense and inconvenience travel to show their dogs to you and to their great credit that they remain such good sports, win or lose.

The location of the show and the weather were both ideal. The food was amazing, and the bagpiper was such a grand surprise. Thank you for inviting me to judge your hounds, and for being so gracious in every instance.

I enjoyed going over your fine hounds.

SWEEPSTAKES AND UNOFFICIAL CLASS

GUYLAINE GAGNON

Hemmingford Kennels, Quebec

My name is Guylaine Gagnon, a French Canadian wolfhound lover and breeder from Québec. We breed very few litters under the name "Hemmingford" and those experiences have been great moments in my life.

For 35 years now, my husband Clément and I have lived on a farm in Hemmingford, a small township south of Montréal. We bought our first wolfhounds a few years after moving to the country; presently we share our life and home with three wolfhounds. Retired from a 35-year career in Environmental impact studies; I now spend all my time with our hounds, our old Clydesdale mare, rabbits and hens.

For the past 8 years I have been involved in the IWCC Québec Branch, acting as secretary-treasurer, show chair, logistic planner and cook. This year round job is well rewarded by the gratitude of all show participants and spectators. Organizing our Regional with our small organisation feels more like preparing for a party and invites all our friends. I would say, this atmosphere makes that day a real good "get together" for all.

I am a member of the IWCC Board since 2008 and hope I am a good representative of the Québec members.

What a wonderful trip I made to visit the BC Branch and judge the puppies in Sweepstake. It has been a real honour and a joy of every moment.

In general the dogs I saw that day were houndier than in Eastern Canada and USA and this older type of wolfhounds is my favourite.

It was a real happy show despite a little wet weather. A perfect organization made the show progress smoothly throughout the day at a perfect site and a big ring where the dogs can show their gait.

The Ring Steward was helpful all day long, the trophies made by Fran Briscoe were simply beautiful and the lunch and dinner at Emma's place a real delight.

I also enjoyed sale table and silent auction and had to take an extra luggage in my way back home. I also appreciate the experience of the crew on their 24th specialty show.

Now, I would like to make a special thanks and big hugs to Brenda Clark and Pauline Dunn who took so good care of me before and after the show. Because of them I could see the best of Vancouver and enjoy the company of real special ladies with such an interesting life and experiences. A special thanks to Emma who integrate me in her life, with her hounds and friends from the show night to my flight back home. I meet there nice people I hope I will see again some day.

Again, huge thanks to the BC Club. You made a real happy lady!

- Guylaine

BEST OF BREED

CH. PITLOCHRY'S JOSEPHIEN

Pitlochry's Sting ex Pitlochry's Zazoe Zelda.

Female, 1113439

9/21/2010

Breeder: Nico & Conny Fernhout

Owner Holly Cook.

This lovely bitch stood away from the moment she entered the ring. She moved with soundness and confidence and held her lovely, balanced shape when traveling. Her head was feminine without in any way appearing weak and her coat was a crisp gray brindle. Typical in every respect, she was a deserving winner.

Breeder/Owner: Emma Ross

This big strong fellow looked as though he could do the job for which he was bred. His typical, masculine head, big strong neck, well laid shoulders and overall strength were his best virtues. When being stacked, he sometimes managed to straighten himself up a bit behind, but when relaxed and on the move this was not the case.

Judging puppies has never been a favorite endeavor of mine. The ones that grow up to be the best, rarely look together and balanced as youngsters or at their best when competing in puppy classes. So often tightly knit, balanced puppies that gait well win these classes and come to nothing special as adults. On the other hand a big gawky puppy, that galumphs around the ring may be the one with the most promise. Promise is an elusive quality, however, that sometimes fails to materialize. I believe the Best Puppy on the day came from the 9-12 Puppy Female Class. She showed lots of promise and was together enough to win her class as well. A lovely youngster.

Having placed second in the BBE Male Class, there was a great deal to like about this strong, masculine hound, from his typical head, with really great rosed ears, to his lovely, sweeping hindquarters and crisp coat. Shown in top condition, he was just barely edged out by a dog possessing more arch of loin.

Real nice brindle red girl with a beautiful head and expression, good ears and coat. Good temperament, was not impress by the show ring at all. Nice long neck that flow unto a good topline. Lots of nice curves from the head to the tail. Long girl with the height to match. Nice front and rear angulations that makes a good mover when she cooperate. A very promising girl.

Wonderful brindle wheaten girl, tall and long girl with good bones but not too heavy. Very elegant puppy, balance and sound, the best mover with lot of drive and reach. Best front and hindquarter and good curved topline. Nice feminine head with good teeth, rosed ears and nice coat. A lovely puppy and a future champion.

Nice tall boy with good bones, good teeth, nice dark eyes with soft expression, nice coat, cooperate well in stacking but too happy to have a constant gait. A little short on the back but almost normal at this age as he probably grew in height that month and in length the month after. On this day, his back need to drop to get a nice constant curves in topline. Otherwise a real nice boy.
