Submitted by Jocelyne Gagné, LGRA Race Secretary

This year we had a successful meet and a respectable number of hounds starting, and no FTE (First Time Entered) hounds. Ellie became a new GRC champion. There were no Field Champions or Veterans running

I am very grateful to Laurie and Dave Soutar for their generosity in hosting our event, providing all of the equipment and running the lure. They were very welcoming and helpful. My personal thanks go out to Celeste Atkinson, Lani Hopf and Sylvia Tamm, my cohorts on the Race Committee who helped with the organizing, sponsorship and the running of the event on the day... each working very hard to make this a successful and well run event.

TURTLE AWARD - GRADY
SYLVERWOLF GRADY GLASGLAENN

The High Score in Meet wins "The Marvellous Mabel Fastest Wolfhound Challenge Trophy" presented by Liz Barningham who provides a smaller replica as the keeper.

What is LGRA?

LGRA (Large Greyhound Racing Association) is a North American organization where all sighthounds except the whippet can race. The race is 200 yards on a straight, flat track. They run three programs with hounds moving up and down in the list depending on their performance.

What some of the terms mean

In order to qualify for prizes and awards, hounds must complete the three heats in "true racing style". In this field of 8 starters the first 6 completed all three programs. While the **Turtle Award** is given to the lowest qualifying score, that hound raced and finished all three programs. A **Best of Opposite Sex High Score** is given to the top qualifying hound of the Opposite Sex to the High Score hound. A **High Score Conformation Champion** is given to the hound with the highest score who is also a Conformation Champion. There were no **FTE (First Time Entered)** hounds meaning all hounds had raced before. There were no Field Champions or Veterans running

Points are given to the first few hounds (depending on the entries) for GRC (Gazehound Racing Champion) and NRC (National Racing Champion) and go towards earning titles of GRC and SGRC (Superior Gazehound Racing Champion), respectively.

DNF (did not finish); SCR_x (Scratch or pulled from that particular program; OC_x (Off Course in that particular program)
