Submitted by Jocelyne Gagné, LGRA Race Secretary

We had a fabulous turnout for this race meet, and the weather was also cooperative, although it did start to heat up near the end of the meet. We had 13 starters and no negative incidents on the track. The dogs ran well and enjoyed themselves. See the score sheet on the next page for all of the placements.

I want to thank everyone who contributed to the success of this event. First of all I want to tell you how much I appreciate

the race committee that helps me with the planning, fundraising and execution of the event – Celeste Atkinson, Lani Hopf and Sylvia Tamm. They are also my moral support and sounding board. Also many thanks to Guylaine, who makes the field arrangements and helps with volunteer recruitment. As she’s local, and most of us are traveling some distance, Guylaine also provides the ladder needed by our lure operator.

“Grady” - Sylverwolf Grady Glaslaenn - Turtle Award.

What some of the terms mean

In order to qualify for prizes and awards, hounds must complete the three heats in “true racing style”. In this field of 13 starters, 7 completed all three programs and the remainder (highlighted) did not. While the **Turtle Award** is given to the lowest qualifying score, that hound raced and finished all three programs. A **Best of Opposite Sex High Score** is given to the top qualifying hound of the Opposite Sex to the High Score (HS) hound. **FTE** means this is the **First Time Entered** for that hound. **HS Conf.Ch.** Is awarded to the **High Score Conformation Champion**.

Points are given to the first few hounds (depending on the entries) for GRC (Gazehound Racing Champion) and NRC (National Racing Champion) and go towards earning titles of GRC and SGRC (Superior Gazehound Racing Champion), respectively.

OC 1 - off course in Race 1

SCR 3 - scratch for Race 3

DNF 1 - did not finish Race 1
