

IWCC/CCLI NATIONAL SPECIALTY LURE FIELD TRIAL

October 14, 2018, Jerseyville, Ontario

Hosted by the Ontario Lure Coursing Association

Trial Coordinator – Jocelyne Gagné — **Judges:** Larry Gahan and Moyra Hamilton

We had an entry of five hounds in Open Stakes. Best of Breed, First in Open Stakes, was **Lina** (Tomson). She won the Glenamad-da trophy for First in Open, and the Starkeeper Trophy for Best of Breed. **Penny** (Prokopenko) was the Best Field Champion winning the Karontara Trophy, Second in Open Stakes, High Score Veteran and High Score Conformation Champion. The Turtle Award was won by **Chi Chi** (Jones & Prokopenko).

Four puppies were entered in the Puppy Stakes. In the 9 to 12 month class first place went to **Castlekeep's Steel Will** (Tomson) and the winner in the 12 to 18 months stakes was **Taliesin's Boudicca at Sceolan** (Atkinson & Smith), AKA "**Arrow.**" The overall winner in Puppy Stakes was **Arrow** taking home the Arahua trophy.

We are grateful once again to the Ontario Lure Coursing Association for their cooperation in running our National Lure Field Trial in conjunction with their October Trial. Heather Jean Dansereau always makes us feel welcome. Thanks are also extended to Larry Gahan and Moyra Hamilton who judged our wolfhounds this day, and who have done so many times in the past! In fact, Larry was one of the sighthound people who helped us run our first IWCC Specialty Lure Field Trial decades ago! Both are wonderful sports and great lure coursing supporters. My young puppy there for an outing, was very happy to see Don Hamilton who was working at the trial. Don is a great puppy person, and all of my wolfhounds love him.

We had a great day, with pleasant weather for hounds and humans. For me, it is always a pleasure to watch wolfhounds running in the field.

Thank you to our donors this year: Joanne Buehner Brown, DVM, Jocelyne Gagné, Karen Jones, Karon Ozols, Sid Wood, Susan Prokopenko,. To Siri Thompson for once again taking pictures of all of our winners on the day.

Submitted by Jocelyne Gagné, Performance Chair 2018
