

The IWCC Breeders Contact List, April 18, 2024

Our Breeder Referral Program is offered to all IWCC members in good standing who have pledged to abide by the Club's Code of Ethics. Buyers are responsible for screening each breeder, asking questions, and selecting the one with who they are most comfortable. Before contacting a breeder, read the section on puppies, consult the links, and find the right questions to ask and those you should expect to receive, from a reputable breeder.

As a Club, the IWCC does not inspect or monitor the facilities, breeding practices, sale, refund or return policies of its member breeders. Therefore, the IWCC provides no warranty or endorsement, expressed or implied with respect to any listed breeder or dogs produced by them.

Coding: Puppies available (P), Adult available (A).

Breeders: contact the Irishwc.secretary@gmail.com to add/remove available Puppies or Adults to this list.
